The screenshot displays the 'Seller Dashboard' interface. At the top, a progress bar indicates '20%' completion, with a 'CONTINUE' button and a message: 'Your profile is only 20% complete. More details means better matches!'. Below this is a search bar with filters for 'Price', 'Timeframe', and 'Distance', followed by a 'Search' button. The main section is titled 'Agents you've matched with:' and lists three identical agent profiles for 'Jessica Parker' (San Jose, CA, 4 Years Experience). Each profile has a 4-star rating and a green progress bar showing 94%, 89%, and 81% respectively. To the right of each profile are buttons: 'Tap' (blue), 'Tapout' (orange), and 'Received' (grey), along with a right arrow. A sidebar on the left contains links: 'MATCHES', '+ ADD NEW SEARCH', 'PROFILE QUESTIONS', 'EDIT PROFILE', and 'EMAIL SETTINGS'.

## How it Works for Agents

- **“TAP”** a match to see if they would like to receive a proposal

- Immediately connect with win-win client opportunities

The screenshot displays the AgentFound Agent Dashboard. At the top, a progress bar indicates the profile is 20% complete, with a 'CONTINUE' button and a message: 'Your profile is only 20% complete. More details means better matches!'. Below this is a search bar with filters for Price, Timeframe, and Distance. The dashboard is divided into two main sections: 'Agent Dashboard' on the left and client lists on the right. The 'Agent Dashboard' section includes links for MATCHES, PROFILE QUESTIONS, EDIT PROFILE, and EMAIL SETTINGS. The client lists are categorized into 'Accepted Proposals (New Clients)', 'Perspective Clients (Sent Proposals)', and 'Perspective Clients (Matched)'. Each client entry shows a profile picture, name, status (e.g., 'ACCEPTED', 'SUBMITTED'), property details (e.g., 'To Buy: House, 1,000 sq. ft.'), location (e.g., 'Richmond, CA'), price range (e.g., '\$350,000 - \$400,000'), and time frame (e.g., 'Less than 6 months'). A green 'Chat' button is present next to each client entry.
